from the race directors

Greetings, 2022 Pikes Peak Marathon and Pikes Peak Ascent Runners,

We are looking forward to another exciting race week starting with three days of celebrating Pikes Peak running, culminating with the Pikes Peak Ascent and the 67th Pikes Peak Marathon. In our efforts to maintain the traditional balance of being a people's race, where exceptional people can accomplish an extraordinary challenge, we again will also be hosting the world's top elite mountain trail runners. Breaking with tradition, this year the Pikes Peak Ascent will have the honor of being one of the 2022 Golden Trail World Series races along with being part of the North America Golden Trail National Series. As always, the Pikes Peak Marathon will still provide the special opportunity to participate in 'America's Ultimate Challenge' for all levels of trail runners.

For the first time in the races' history, they will take place in September. We look forward to hopefully experiencing the anticipated advantages with the new timeframe and hearing your feedback. However, regardless of the date, Pikes Peak weather is always a concern. Basically, the races are like any other mountaineering events, where it is not always guaranteed that you will summit and where weather conditions are a primary factor to your safety, enjoyment, and eventual success. Safety of our runners and support staff is paramount, followed by our leave no trace guidelines. So please be sure to be aware of our new mandatory gear and water bottle requirements. The requirement to carry a **hooded, windproof, water-resistant jacket** and a **12-ounce or larger refillable and sealable water vessel** has been designed to enhance everyone's overall race experience.

Please be sure to join us for our prerace expo and festivities beginning on Wednesday, September 14, at Red Leg Brewing Company's new location. We will kick off the race week with the tapping of a special Pikes Peak Marathon beer. Then, join us on Thursday for our race expo and that evening for our traditional Run Fest celebrating Pikes Peak running, with live music in Memorial Park. Friday's all-day expo will include the opportunity to hear from over 50 international elite athletes. Afterwards, we encourage you to join an easy, self-paced community run starting from the expo at 5:00 p.m. in partnership with Salomon and Mountain Chalet. Recover during happy hour afterwards while listening to our Pioneers of Pikes Peaks presentation for a bit of history and recommendations regarding Pikes Peak running.

For last-minute updates and more information, be sure to keep an eye on our Facebook page.

The race staff and volunteers hope you enjoy your time in Manitou Springs and while running on Pikes Peak, and we wish you the best on race weekend. And when preparing for race day, remember a longtime adage regarding Pikes Peak:

The mountain always wins.

Live to run!

3 runner bib pickup

WHEN:

Thursday: 5-8 p.m. (Both races)

Friday: 10 a.m.-7 p.m. (Both races)

Saturday: 5:30-7 a.m. (Ascent ONLY),
1 p.m.-6 p.m. (Marathon)

Sunday: 5:30-7 a.m. (Marathon)

WHERE: Memorial Park, Manitou Springs

BRING: Photo ID

Please arrive with your photo ID to receive your race wristband(s). This band will need to remain on through the conclusion of your race. It serves as your ticket for transportation off the summit in the Ascent.

Runners must pick up their own bibs ONLY and will not be allowed to pick up for anyone else. ID will be checked. Please obey all parking signs on the streets of Manitou Springs; there is no free parking.

Be sure to fill out your emergency medical contact on the back of your bib.

4 scheels expo at memorial park

WHEN:

Thursday: 5-8 p.m.

Friday: 10 a.m.-7 p.m.

Saturday: 9 a.m.-6 p.m.

Sunday: 10 a.m.-5 p.m.

WHERE: Thursday through Saturday, Memorial Park, Manitou Springs; Sunday ONLY at Soda Springs Park, Manitou Springs

The Red Leg beer garden will be open! Also, check out live music from local band Last Patrol on Thursday night.

The expo is home to our custom merchandise from top brands like Territory Run, Goodr, Nalgene and BornFit. Stop by to purchase your Ascent or Marathon swag! **Credit card and cash accepted.**

Also, stop by and visit our awesome vendors, including Salomon and Heuberger Subaru! And don't forget to get a post-race massage from Colorado Institute of Massage Therapy.

We love our furry friends as well as yours, but please leave dogs at home for this event.

5 parking! (this is a big one)

Last year, the City of Manitou Springs implemented a paid parking program. Most of the free parking throughout town that runners are used to using is now PAID parking. However, you do have some options!

THURSDAY AND FRIDAY: Hourly parking is located in the Hiawatha Parking Lot, directly east of Memorial Park. Hourly parking is also available along El Paso Boulevard, Manitou Avenue, and Lovers Lane. Please be sure to obey all no parking zones, vendor parking, fire lanes, and resident parking signs.

SATURDAY AND SUNDAY: We have options!

- Hiawatha Lot: The City of Manitou Springs is offering a limited number of reserved parking spots in the Hiawatha Parking Lot, directly east of Memorial Park and next to the start line; cost is \$15 for the full day and must be pre-purchased. **Watch for updates on our website and on social media for a link once reservations are available.** Confirmation must be shown to the parking attendant on event morning.
- Manitou Springs High School and Middle School: Support local athletics teams by paying \$10 to park for the full day on Saturday or Sunday! Please bring exact change if possible.
- Schryver Park: Also known as the Manitou Springs Pool parking lot, located near Highway

24 and Manitou Ave. Manitou Springs is offering 30 reserved parking spots at the park, located 0.9 miles from the start line, for an all-day fee of \$10. **Stay tuned on our website and on social media for a link once it's available!**

- On-Street Parking and the Canon Parking Lot: The priciest options.

Parking kiosks will open at 4:00 a.m. on Saturday and Sunday, and daily time limits will be removed so you can pay to park for the entire duration of your race. **Click [here](#) for information on how to pay via text.** This only works for the hourly parking rate.

Please do not park in no parking areas, fire lanes, loading zones, or residential permit areas, as you will be towed. The Briarhurst Manor lot is for VOLUNTEER parking only (permit required).

Leave a little extra time on race morning to find (and pay for) your spot, or have your family members drop you off near the starting line.

Runner Dropoff

If you want to avoid parking hassles, ask a family member or friend to drop you off at the start line! Manitou Avenue will remain open from Highway 24 to the 400 block. At that point, a runner drop-off line is available for runners to exit the vehicle; vehicles then make a U-Turn to the left and can exit Manitou Springs on Manitou Avenue.

ASCENT CORRAL ASSIGNMENTS: results.pikespeakmarathon.org/regstats/2022/ppa.html

MARATHON CORRAL ASSIGNMENTS: results.pikespeakmarathon.org/regstats/2022/ppm.html

The bib number is correlated with a runner's start wave assignment. Bibs 1-99 are reserved for the top women; bibs 100-199 are the top men. Runners 200-299 are in wave 2 beginning at 7:02 a.m., 300-399 in wave 3 at 7:03 a.m., and on down the line. Start line closes 1 minute after the final wave departs; do not be late! This race is chip timed, so your time will not be recorded until you cross the starting line. Runners may start in a later wave than they are assigned, but starting in an earlier wave will result in disqualification. Runners must affix their bib to the front of their outer layer of clothing. This provides the race organization and our timing experts easy access to your bib number for safety and official finisher results.

Drop Bags

ASCENT: Sweat check is available for runners. Pick up a Gatorade sweat check bag at bib pickup. Please bring your bag to the start line before the race. Sweat check is located along Old Mans Trail, across from the portable restrooms. You can retrieve your bag at the summit after finishing. Some items that might be nice to include are a dry windproof jacket, a dry shirt, gloves, and money for Summit House goodies.

MARATHON: Pick up a Gatorade sweat check bag at bib pickup. Bring your bag to the start line before the race. Sweat check is located along Old Mans Trail, across from the portable restrooms. You can retrieve your bag near the finish line. Some items that might be nice to include are recovery sandals, a dry shirt, and extra beer money.

7 rules

While this guide provides an overview of the 2022 updated race requirements, runners are also responsible for knowing and abiding by all official course rules, found online at www.pikespeakmarathon.org/rules.html.

Some important ones:

- **Headphones and hiking poles are prohibited.**
- Downhill runners have the right of way.
- Starting in a wave before your assigned wave will result in disqualification.
- Unsportsmanlike conduct will be reported and could result in a runner's being banned from Pikes Peak races for life.
- Carry the mandatory gear! (More below.)

Mandatory Gear Requirement

New for 2022 we are instituting a mandatory gear requirement. All runners in the Pikes Peak Ascent or Marathon must carry the following:

- **JACKET:** A **hooded, windproof, water-resistant** (or waterproof), breathable outer layer will be required. Plastic ponchos are not acceptable.
- **WATER:** Runners are required to carry a 12-ounce or larger **refillable and sealable** water bottle or similar. This may be a combination of multiple containers, flasks, hydration packs, or similar. Single use disposable bottles are not acceptable.

Please note the new mandatory gear requirement for ALL Pikes Peak Marathon + Ascent runners and race rules have been designed to enhance everyone's overall race experience, enjoyment, and safety. Any runner who fails to comply with the gear requirement or race rules will be subject to disqualification from the race(s).

Cupless Policy: Leave No Trace

Pikes Peak Marathon + Ascent races have gone **cupless** in 2022. Our race organization is committed to being environmentally conscious and reducing our waste each year. One way to reduce waste and trash at our races is to remove disposable cups from our aid stations. This leaves the mountain cleaner overall and prevents our aid station volunteers from having to hike out bags and bags of trash.

Furthermore, requiring all runners to carry at least a 12-ounce refillable and sealable water bottle, enhances the safety for all runners. You are running up a 14,115-foot mountain and must be prepared for the unpredictable weather changes. Many Pikes Peak Marathon + Ascent veteran runners will remember the years the race has been turned around due to extreme weather. There is no easy way to get off the mountain quickly, so having ample hydration available can be essential or even life-saving in the event of extenuating circumstances.

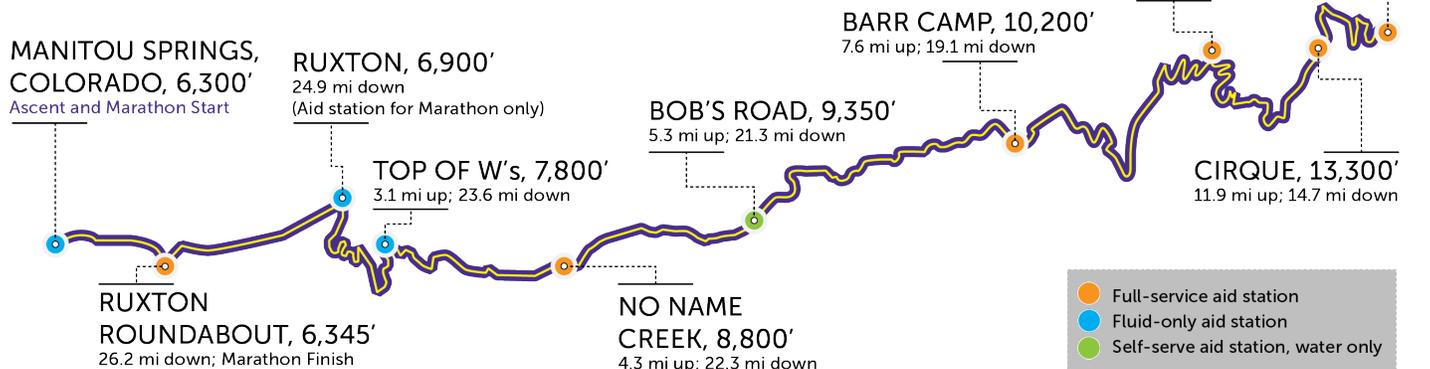

Please join us in our effort to reduce our waste during the Pikes Peak races and ensure your safety while participating in this historic race. There will still be on course "trash zones" available for runners needing to dispose of wrappers and nutrition items.

Don't forget to grab your **FREE** reusable Speed Cup from our partners at Hydrapak at bib pickup. Please note, these collapsible, reusable cups **do NOT meet** the mandatory gear requirements. We intend for runners to use these cups for pickle juice, Coke, and even for snacks on the go. You are still required to carry an additional sealable 12-ounce or larger water vessel.

8 course information

PIKES PEAK MARATHON + ASCENT

Elevation gain (start to summit) is 7,815 feet (2,382 meters); the start is at 6,300 feet (1,920m) and the summit is 14,115 feet (4,302m) above sea level. The Marathon turnaround is at approximately 14,050'. The ascent leg of the Marathon has very few stretches that are not going uphill, with the average grade being 11%. Read more about the course on our website: www.pikespeakmarathon.org/course-info.html.

Pikes Peak Ascent Aid Stations

Food/Fuel Available

We do our best to stock our aid stations with a variety of items (pretzels, grapes, bananas, water, Gatorade, etc.), but it may vary by location. We suggest you bring specific aid items that you require as we can not guarantee the availability or location of items. There will be on course "trash zones" for runners to dispose of wrappers or nutrition items.

Dress Smart

Mountain weather can be volatile and unpredictable. Be sure to check the forecast, but also come prepared for quick temperature drops and potential storms with an extra layer, hat, and gloves. This is in addition to the mandatory jacket required to be carried by each runner for the entire race.

Pikes Peak Marathon Aid Stations

* All aid stations will have volunteers except Bob's Road, where runners will fill their own bottles from 5-gallon containers.

9 cutoff times and runner tracking

For your safety and the safety of the race support personnel, there are cutoff times (mandatory turnaround times) at No Name, Barr Camp, A-Frame, and at the Summit. If you do not make the cutoff times, you will not be allowed to continue the race. There are no exceptions.

On-course cutoff times indicated below are elapsed times from each runner's start time. Any runner continuing past their cutoff time will be automatically removed from the results.

LOCATION CUTOFF TIME:

- No Name (4.3 mi, 8,800') 1:40:00
- Barr Camp (7.6 mi, 10,200') 3:10:00
- A-Frame (10.2 mi, 11,950') 4:30:00
- Summit (13.3 mi, 14,115') 6:30:00 (6:15:00 on Marathon day)
- Marathon Finish (26.2 mi, 6,300') 10:00:00

Runner Tracking

Timing mats are available along the course. It is anticipated that there will be timing locations at the start, Top of W's, No Name Creek, Barr Camp, A-Frame, and the Summit. Signal depending, we will attempt to keep our results page up to date as runners cross mats in close to real time. Please bear with us, as sending data from the side of a mountain can sometimes prove challenging.

Live Stream

Live stream of the race will be shown on monitors in Memorial Park on Saturday and in Soda Springs Park on Sunday, or it can be watched on your personal device from anywhere. Families can watch their runners reach the summit. **Check our website on race day for the link!**

Inclement Weather

If the race needs to be called for weather, three loud horn blasts will sound and be echoed by crews going down the mountain. All competitors should turn around when they hear that signal regardless of where they are in the competition.

10 ascent day: leaving the summit

Vans will take runners from the summit to Glen Cove; there, runners will unload and transfer to buses for the rest of the ride back to Memorial Park.

Please be patient at the summit while our volunteer van drivers navigate spectator traffic on the Pikes Peak Highway.

Bring your credit card or some cash and enjoy some world-famous Pikes Peak donuts or check out the new Summit House (and stay warm!) while you wait.

Per Colorado law, face masks are not currently required in public places or on public transportation.

11 spectators

Pikes Peak Marathon leadership is thrilled to welcome spectators back to the summit of Pikes Peak for the Ascent on Saturday, September 17.

However, the limited number of parking passes we were able to sell were gone in 2 minutes this year! As we work to expand spectator options in future years for the Pikes Peak Marathon + Ascent, remember we have a great viewing party at Memorial Park (Ascent day) and Soda Springs Park (Marathon day). For the Ascent, stick around in Memorial Park to cheer on all the runners as they exit the buses and celebrate their accomplishment! Beer starts flowing in Memorial Park at 9:00 a.m. (with beermosas!), merchandise will be on sale, and spectators are encouraged to set up camp in the park as you watch the live streamed video of the race, cheer, and welcome your favorite runner back to Manitou Springs.

Spectators Driving to the Summit

All available summit parking spots and timed reservations through the Pikes Peak Highway are sold out through 2:00 p.m.

THOSE WITH PARKING PASSES: Each personal vehicle will also need to purchase a Pikes Peak Highway admission ticket for each person riding in the vehicle to the summit. This ticket can be purchased [online ahead of time](#) or in person at the Pikes Peak Highway entrance on race day.

Parking passes must be picked up at the Scheels Expo in Memorial Park (502 Manitou Ave., Manitou Springs, CO) at the runner bib pick up tent. A valid ID will be required to pick up the parking pass. Find the line specific to parking passes.

PARKING PASS PICK UP TIMES:

- **Thursday, September 15:** 5-8 p.m.
- **Friday, September 16:** 10 a.m. - 7 p.m.
- **Saturday, September 17:** 7:15 - 8:00 a.m.

Passholders are required to park in the west parking lot on the summit. Check your email for additional information to be sent out race week.

Reminder, all summit spectators agree to the Pikes Peak Highway's terms of use when purchasing an admission ticket. Terms to be aware of:

- The individual purchasing the pass **MUST** be present in the vehicle and show a government issued ID to validate the parking pass and admission ticket.
- All access is weather permitting and access to the summit is not guaranteed. Refunds will not be issued for your purchase.
- This pass is non-refundable, non-transferable, and non-exchangeable.
- Pikes Peak is a tobacco-free campus.
- Drone use is prohibited.

Marathon Day

Spectators wishing to see their runner turn around at the summit can purchase a 2-hour reservation through the Pikes Peak Highway reservation system. Or join the Pikes Peak cheering squad at the Marathon finish at the roundabout at Ruxton Avenue and Manitou Avenue. Soda Springs Park will have live stream viewing available at the post race party.

Devil's Playground Option

The general public and spectators are allowed to purchase a Pikes Peak Highway admission ticket without purchasing a timed reservation. Without a reservation, vehicles must park at mile 16/Devil's Playground parking lot. There will be a Pikes Peak Highway ranger checking for parking passes.

To hike to the summit from this parking lot, spectators should be prepared for 3 miles each way up to 14,115 feet in elevation. We recommend not attempting this hike unless you have completed it

prior to race day. Spectators will need to prepare to get themselves up AND down a rocky trail back to their cars.

Absolutely NO Pikes Peak Ascent runner vans will shuttle spectators to or from any location, at any time, for any reason. NO spectators are allowed in the runner and volunteer vans or buses for any reason.

Find more spectator information at: <https://www.pikespeakmarathon.org/spectators.html>

Call for Volunteers

If you were unable to get access to the summit, consider volunteering! We have a lot of positions available for all abilities. Love hiking and want to get out there? Sign up for an aid station! Prefer to stay lower? Check out the expo and post-race positions. Find more information here: <https://www.pikespeakmarathon.org/volunteer.html>.

Volunteers receive a free tech shirt, food, and transportation as needed to various locations. Join an incredible organization, cheer on the runners, and even get a front row seat to watch your favorite runner accomplish a great feat!

12 finisher item

Racers who finish their courses within posted cutoff times will receive a gender-specific quarter-zip (Ascent) or full-zip (Marathon) lightweight tech shirt, along with a medal for each race.

Those who successfully complete the Double will receive a sling-style backpack.

13 awards and after party

OVERALL ASCENT: Top 10

OVERALL MARATHON: Top 5

MASTERS: Top 5

5-YEAR AGE GROUPS: Top 3

There will be one awards ceremony for the Ascent at 5:00 p.m. on Saturday to enable results to be verified from the summit timing mats. Overall and masters awards will be given out at 1:30 p.m. for the Marathon on Sunday, with age group awards at 4:00 p.m. Note that anyone in the top 10 in the Ascent or the top 5 in the Marathon wins a cash prize! Check our website for details.

You MUST be present at the ceremony to collect your check; we are unable to mail them.

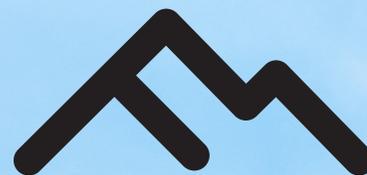

Celebrate Your Accomplishment

Once you return from the summit either by bus or by foot after your race, we hope you'll join us for refreshments and camaraderie with your fellow runners. Pick up your well-earned finisher apparel in Memorial Park on Saturday and/or Soda Springs Park on Sunday. You'll also find representatives from the Colorado Institute of Massage Therapy ready to help with sore muscles, pizza and snacks to refuel, and plenty of water, beer, and Gatorade to quench your thirst.
